Chains

Chris Rene

They say that I'm a dreamer
That makes me a believer
Even got it inked up on my arms
(Ayo Ayo)
I've been thinking
(Ayo Ayo)
I got a reason
(Ayo Ayo)
Make a plan and start all over

See we all could be happy people
If we stop feeding our own egos
And live our lives right where we are
Instead of where we wanna be

Are you ready to break these chains
Are you ready to find a way
We were meant for more than this
Times is all we got to give
We don't have to live this way
Are you ready to break these chains
Ready to break these chains

Yo this ain't no fairy tale
I made life long friends in jail
I love them 'til the day I die
Uh huh yep
(Ayo Ayo)
You remind me a little of me
(Ayo Ayo)
And there's nothing we can't change

See we all could be happy people
If we stop feeding our own egos
And live our lives right where we are
Instead of where we wanna be

Are you ready to break these chains
Are you ready to find a way
We were meant for more than this

Times is all we got to give
We don't have to live this way
Are you ready to break these chains
Ready to break these chains

I've been locked down chained to my Own thoughts
Now I rock out break out my own box
I'm so blessed I'm so happy it's so right
I'm fresh dressed my best vest is so tight
Ayo Ayo
That's what I'm saying
Crazy in a whole another lane that's mazing
Just to let you know yo I'm coming from the other side
Still I'll always be a kid in my mother's eyes

See we all could be happy people
If we stop feeding our own egos
And live our lives right where we are
Instead of where we wanna be

Are you ready to break these chains
Are you ready to find a way
We were meant for more than this
Times is all we got to give
We don't have to live this way
Are you ready to break these chains
Ready to break these chains

See are you ready now
Ready ready 'cause I'm ready I'm ready I'm ready
