X-French Tee Shirt

Shudder To Think

Say what? You move very fast
I saw you screaming at the top floor
Big window crash, I'm deaf
So what'd you have to do that for? Him?In giving it up
You chew a little foil
You can't return to us
To us, to usYou chew a little foil
You can't return to what
To what, to what, to what, toGiving it up and chewing on foil
Have in common?
Bags are packed and out back outHold back the road that goes
So that the others may do
That you let me in just to
Pour me down their mouthsHold back the road that goes
So that the others may do
That you let me in just to
Pour me down their mouthsHold back the road that goes
So that the others may do
That you let me in just to
Pour me down their mouths
