

Bad Girl

Jon B.

I think about the clever lines to spill to you baby
The time it's gonna take for me and you to get out of here
Lead you to my ride and back to my house
So we can do what we want to do, not this time All that I want, all that I need
For you to give me just one night to please you
Girl you will be the one I want to live with baby
You can be my bad girl Tell me what I have to do tonight
For you to be a bad girl baby
For you to be a bad girl baby
Tell me what I have to do tonight
For you to be a bad girl baby
For you to be a bad girl baby Don't wanna pressure you and make you think I'm wrong baby
Just wanna turn you on to something that you're lookin' like you will see Exactly why you dressed up lookin'
like that for me baby
All flied up for me All that I want, all that I need
For you to give me one night to please
Girl you will be the one I want to live with baby
You can be my bad girl Tell me what I have to do tonight
For you to be a bad girl baby
For you to be a bad girl baby
Tell me what I have to do tonight
For you to be a bad girl baby
For you to be a bad girl baby Tell me what I have to do tonight
For you to be a bad girl baby
For you to be a bad girl baby
Tell me what I have to do tonight
For you to be a bad girl baby
For you to be a bad girl baby All that I want, all that I want is one night
For you to give me one night to please
Girl you will be the one I want to live with baby
You can be my bad girl Tell me what I have to do tonight
For you to be a bad girl baby
For you to be a bad girl baby
Tell me what I have to do tonight
For you to be a bad girl baby
For you to be a bad girl baby Tell me what I have to do tonight
For you to be a bad girl baby
For you to be a bad girl baby
Tell me what I have to do tonight

For you to be a bad girl baby
For you to be a bad girl baby
