

# Stunt Your Growth

## Napalm Death

Spread of seed  
over many expanses  
Cycles  
It would grow regardless out  
of these behemoth's clutches  
Claimants to the last drop  
Patents block the begging bowls  
Owned to stunt your growth  
Stunt your growth  
Basic subsistence hinges around  
this fundamental biology  
Jaw-dropping concessions  
to cabals viewing anything natural  
as commodity  
If this is what it's come to,  
we can ration out the oxygen  
We can rule on replication of  
bodily expression  
We can wholly stunt our growth  
If this is where we're heading  
this is the height of ludicrousness  
We could count on ruination  
whenever the wind blows  
Strewn - and stealthily stunt  
our growth  
If we waive natural liberties,  
the GMO literally consume  
to control

Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
