Promise

Nu Flavor

Through the storm and the rain Through the joy and through the pain I promise to love you, 'til the end of time And I want you to promise, that you'll always be mine[CHORUS]: Promise to love you, stay by your side Place no one above you, you will always be mine I'll never hurt you, I'll never lie Promise to protect you, always stay by your sideBaby baby, can't you see That from the first tiem I saw you, I'm in love And now I've got to let you know how I feel And now it's time to let you know that you are More than I ever dreamed for Someone that I can adore You have me feeling feelings I've never felt before So won't you give me a sign To know that soon you'll be mine I'll give you my heart, my soul, my loveCHORUSBaby baby talke to me Girl you gotta let me know how you feel 'Cause all of this love I have inside is for real And now the time has come to let you know that I make this promise to you My heart will always be true And I will give all my love and devotion to you When all is sad and done Two hearts are better than one Deep in my heart I'm
