Hey Ladies

Jofo

Hey ladies why is it that men can go do us wrong
Why is it that we just decide to keep holdin' on
Why is it that we never seem to just have the strength to leave
But he's got to go, he's got to goHey ladies why is it that men can go do us wrong
Why is it that we just decide to keep holdin' on
Why is it that we never seem to just have the strength to leave
But he's got to go, he's got to goMy man's been cheatin' on me
Been runnin' round here wit' this little tenderoni
And don't think I haven't noticed he's been actin' funny
Takin' too long to call me and somebody told me
That the worst thing of it all is that he gave her moneyNow how he gon' give her my ends that's a no, no
My first reactions telling me he's got to go, go
But I just ain't for sure, should I just let him go
Oh I don't knowYeah he did it wrong but I love him so
I keep holding on but he got to go, he got to go
Thought he was the one but now I don't know
After what he's done he's got to go, he's got to goHey ladies why is it that men can go do us wrong
Why is it that we just decide to keep holdin' on
Why is it that we never seem to just have the strength to leave
But he's got to go, he's got to goHey ladies why is it that men can go do us wrong
Why is it that we just decide to keep holdin' on
Why is it that we never seem to just have the strength to leave
But he's got to go, he's got to goYou keep rewinding it, stoppin' it and playing yourself over again
See I'm sick and tired of you doin' that same old thing
Sick of your same routine now you've got to come clean
'Cause it's killing meYeah he did it wrong but I love him so
I keep holding on but he got to go, he got to go
Thought he was the one but now I don't know
After what he's done he's got to go, he's got to goHey ladies why is it that men can go do us wrong
Why is it that we just decide to keep holdin' on
Why is it that we never seem to just have the strength to leave
But he's got to go, he's got to goHey ladies why is it that men can go do us wrong
Why is it that we just decide to keep holdin' on
Why is it that we never seem to just have the strength to leave
But he's got to go, he's got to goI just don't understand you get chance after chance
And you say that you'll do right but I really do not know if you can
It's not in your plans that you've shown
Can you change, don't think so now I gotta let you go
Got to go, go, go, go, go, got to go, go, go, goHey ladies why is it that men can go do us wrong

Why is it that we just decide to keep holdin' on
Why is it that we never seem to just have the strength to leave
But he's got to go, he's got to goHey ladies why is it that men can go do us wrong
Why is it that we just decide to keep holdin' on
Why is it that we never seem to just have the strength to leave
But he's got to go, he's got to goHey ladies why is it that men can go do us wrong
Why is it that we just decide to keep holdin' on
Why is it that we never seem to just have the strength to leave
But he's got to go, he's got to goThou shall move on to the next
