

# Three Hammers

## DragonForce

Lost long ago through the ages of time  
Once ruled immortal the gardens of lies  
Wandering together they stood side by side  
Storm winds from darkness the world in decline  
Clutch for the hammers to reclaim the throne  
Three brought together by warriors unknown  
United to vanquish all hell from the earth  
Conquering glory the kingdom's rebirth  
(Pre-Chorus) Raise your swords sound the final war cry  
Stan, fight! Fight for your life!  
Thousands will die but their death's not in vain  
Now re-united our world may be free once again!  
(Chorus) Three hammers high,  
In the burning red sky  
Force and the fire  
Protectors of mankind  
Three hammers high  
For the world re-unites  
Fight for our lives!  
As we hold up the three hammers high  
Long have we traveled through forgotten lands  
From golden valleys to burning red sands  
Restless we ride through the depths of all hell  
Triumph in agony, death will prevail  
(Pre-Chorus) Raise your swords sound the final war cry  
Stan, fight! Fight for your life!  
Strike back with vengeance, till death we defend  
Until the day that the dragons will rise once again  
(Chorus) Three hammers high  
In the burning red sky  
Force and the fire  
Protectors of mankind  
Three hammers high  
For the world re-unites  
Fight for our lives!  
As we hold up the three hammers high  
(Short Solo) Strike down the unbelievers  
March on for darkness we now stand  
Once more the path for glory  
Take back the power in our hands!  
(Guitar Solo) Long years of time! And the long years of pain!  
Still marching onwards till victory's ours once again!  
Victory's ours once again!  
(Chorus) Three hammers high  
In the burning red sky  
Force and the fire  
Protectors of mankind  
Three hammers high  
For the world re-unites  
Fight for our lives!

As we hold up the three hammers highThree hammers high  
In the burning red sky  
Force and the fire  
Protectors of mankindThree hammers high  
For the world re-unites  
Fight for our lives!  
As we hold up the three hammers highHold up the three hammers high!
