All That I Can Say

Gretchen Parlato

Here we goLoving you is wonderful
Something like a miracle
Rest assured I feel the same way you doNeeding you isn't hard
With you I can let down my guard
Stay secure that's all I'm asking youI wish that I had words to tell
A feeling that I know so well
But I don'tI've always been curious
Meeting someone serious
Looking for someone who loves like meBut the day I stop my search
Seems that you were put on earth
To show me everything I could seeI wish that I could find a way
To tell you how I felt that day
But I can'tAll that I can say
All that I can say
All that I can say
All that I can sayKnowing him loving him showing him that I'm all in
Living in forgiving him I would do it all again
Genuine seraphim sweeter than cinnamon
Heaven sent gentleman synonyms for loving himKnowing him loving him showing him that I'm all in
Living in forgiving him I would do it all again
Genuine seraphim sweeter than cinnamon
Heaven sent gentleman synonyms for loving himKnowing him loving him showing him that I'm all in
Living in forgiving him I would do it all again
Genuine seraphim sweeter than cinnamon
Heaven sent gentleman synonyms for loving him
