Shouting Grounds

Crowder

Take me to the shouting grounds
A prodigal lost was found
I should be dead right now
but I am aliveI just want to see Your face
You're calling me from my grave
Take me to the shouting grounds
it's gonna get loudDead man come walkin' out
When you hear the sound of mercy
Dead man come shouting out
Get out the ground you're breathing!
All who were once asleep are waking up to singTake me to the shouting grounds
A prodigal lost was found
I should be dead right now
but I am aliveI just want to see Your face
You're calling me from my grave
Take me to the shouting grounds
it's gonna get loudHey - oh,
Hey - oh
Hey - oh,
Hey - ohNo grave gonna hold me down
Can you hear the sound of saving?
No grave gonna hold me down
Can you feel the found it's shaking?
All who were once asleep are waking up to singTake me to the shouting grounds
A prodigal lost was found
I should be dead right now
but I am aliveI just want to see Your face
You're calling me from my grave
Take me to the shouting grounds
it's gonna get loudHey-oh-ey, hey-oh-eh,
Hey-oh-ey-oh-ey-oh...Hey - oh
Hey - ohTake me to the shouting grounds!
Take me to the shouting grounds!
