

Good Days Bad Days

Kaiser Chiefs

Follow the underdog
Hold on its collar tag
This city loves a scrap
One day it's gonna bite Sticks and stones and animal bones
Can't stop me from having
A good day on a bad day
There's good days and bad days Making a night of it
Breaking the barriers
Drowning your sorrows
Upset the regulars Sticks and stones and animal bones
Can't stop me from getting away with
Good days and bad days
There's good days and bad days Oh, hey, hey
Hey, hey
Hey, hey
Hey, hey Oh, hey, hey
(Breaking the barriers)
Hey, hey
(Making a night of it) Hey, hey
(Getting away with it)
Hey, hey
(Good days and bad days) Sticks and stones and animal bones
Sticks and stones and animal bones
There's good days and bad days
There's good days and bad days Hey, hey
Hey, hey
Hey, hey
(Family business)
Hey, hey
(He's getting away with it) Hey, hey
(Family business)
Hey, hey
(He's getting away with it) Hey, hey
(Family business)
Hey, hey
(He's getting away with it) If you had a different attitude
Instead of take and take and take
You have missed an opportunity
And that's a really big mistake If you had a different attitude

You'd still have good days and bad days
Hey, hey, hey
