

I'm Here

Romeo

[Romeo: Talking]I'm here
I got you pops
Ain't no stopping me home boy
You know everybody have a time
I feel mine is now
Thats not because I say it is
But thats because I know it is
If yo plane land with one hydrolic
Then get at me man cause I'm something special
You know I'm blessed
Like all the greats Noah, Moses, Jesus, Mary
The list goes on
If you believe in them
They'll believe in you
And you know
I've been given talents that people dream of man
You best believe I'm gonna use it to then best my ability
But you know for me
Patience is the key man
Cause if you look back at any great
I don't care if its Micheal Jordan
Or Micheal Jackson

Jesus, Mary
If read all there life stories
You know that life wasn't always easy for 'em man
They had there little ups and downs
I know, I know its crazy that they came out on top huh
Listen to this
Sooner then later
Everybody will be presented witha gift... in life
The same will be done with you
and me...
Well...
I'm god's gift
I love ya'll man
and thats real
G's Up
[Guy: Singing]Empty spaces

What are we living for
Abandoned places
I guess this god
On and on
Does anybody no what we are looking for
Another hero...
