

Stood

Kathryn Williams

All i ask for is the sign for my fleeting
Lift me to your light
Felt the warmth back in my eyes
I used to follow you round in a casual way
Miss good shows on the radio just to see your faceAnd you
Just stood
You kept me there
Bare to what you were
And you
Just would
Be happy to be loved by me
But not for good
Not for good.I never thought that I'd get to talk to you
You are always about never in doubt of what you've got to doI knew I'd be nervous now
What was i then
Years had passed my frustration was masked
I knew i would not be again
