

I Love It When You Cry (Moxoki) - Boehm Remix

[Steve Aoki](#)

Feels like you're a world away
As when I am in this bed together
How you gonna say nothing
Baby you can stay this numb forever Hit it from the back do me like that
Boy that really ain't enough
There's something to say
'Bout feeling no pain
It's sexy when you're joking off I love it when you cry
It shows that you're alive
I love it when you cry
The tears bring out your eyes Uh, the tears bring out your eyes
The tears bring out your eyes Baby when you say my name
Say it like you really really want it
I want you to feel again
Soldier boy don't be so diamond hearted Hit it from the back do me like that
Boy that really ain't enough (That really ain't enough)
There's something to say
'Bout feeling no pain
It's sexy when you're joking off I love it when you cry
It shows that you're alive
I love it when you cry
The tears bring out your eyes Uh, the tears bring out your eyes
The tears bring out your eyes
