Mambo Gelato

Ray Gelato Giants

In Italy
I do a little dace it's called the mambo
Mambo gelato
Just you and me why don't we take a chance and do the mambo
Mambo gelato
Now it's a craze that's all the rage in Romanopoly
So es seniorena come here come mambo with meSo let's mambo
Mambo gelato
Go go go nice and legato
Don't say no
Mambo gelato
Shake that booty baby you driven me crazyLet's mambo
Mambo gelato
Take it low
Feel it roboto
Let's mambo
Mambo gelato
Let's go
Ah mamboIts melody just makes me want to sing
Cus it's the mambo
Mambo gelato
I look at you then I am in a spin
Without your mambo
Mambo gelato
A memory just you and I
We dance the night away
I feel your heart racing dancing the mambo with meSo let's mambo
Mambo gelato
Go go go nice legato
Don't say no
Mambo gelato
The way you swing your hips baby makes we want to flipLet's mambo
Mambo gelato
Take it low
Feel it roboto
Let's mambo
Mambo gelato
Let's go
Ah mambo
