

# Mambo Gelato

## Ray Gelato Giants

In Italy

I do a little dace it's called the mambo

Mambo gelato

Just you and me why don't we take a chance and do the mambo

Mambo gelato

Now it's a craze that's all the rage in Romanopoly

So es seniorena come here come mambo with meSo let's mambo

Mambo gelato

Go go go nice and legato

Don't say no

Mambo gelato

Shake that booty baby you driven me crazyLet's mambo

Mambo gelato

Take it low

Feel it roboto

Let's mambo

Mambo gelato

Let's go

Ah mamboIts melody just makes me want to sing

Cus it's the mambo

Mambo gelato

I look at you then I am in a spin

Without your mambo

Mambo gelato

A memory just you and I

We dance the night away

I feel your heart racing dancing the mambo with meSo let's mambo

Mambo gelato

Go go go nice legato

Don't say no

Mambo gelato

The way you swing your hips baby makes we want to flipLet's mambo

Mambo gelato

Take it low

Feel it roboto

Let's mambo

Mambo gelato

Let's go

Ah mambo
