Elevate

Dexcell

Elevate a little higher
Let's throw a party in the sky and celebrate
Elevate it till we flyin'
Mo-move your feet until you levitate,
Come let's elevate
(James)
Forget about your day
Under the Milky Way
I know a place where we can go, oh oh.
(Logan)
No need to be afraid
Come on i'll demonstrate
Take you to outer space
Here we go, Here we go.
Woah oh, woah oh.
Woah oh, woah oh.
If you want to partay,
Woah oh, woah oh.
Woah oh, woah oh.
I know you're down
Woah oh, woah oh.
Woah oh, woah oh.
If you wanna partay,
If you wanna partay,
(CHORUS)
Elevate a little higher
Let's throw a party in the sky and celebrate
Elevate it till we flyin'
Mo-move your feet until you levitate,
Come let's elevate
Elevate,
Elevate.
(Carlos)
We're floatin' in the air
Look at the view from here
Show you a world you never seen before
(Kendall)
We're dancin' in the stars
No matter where we are

You better buckle up
Here we go, here we go

Woah oh, woah oh.
Woah oh, woah oh.
If you want to partay,
Woah oh, woah oh.
Woah oh, woah oh.
I know you're down
Woah oh, woah oh.
Woah oh, woah oh.
If you wanna partay,
If you wanna partay,
(CHORUS)
Elevate a little higher
Let's throw a party in the sky and celebrate
Elevate it till we flyin'
Mo-move your feet until you levitate,
Come let's elevate
Elevaaaa-aaa-aaate,
Elevaaaaa-aaaa-aaate.
Don't even hesitate
Just let it escalate
I wanna see you go
Whoaohoh, whoaoh oh oh, woah
Break through the ceiling now
It's time to hit the clouds
And no, we ain't coming down
Whoa, whoa
Whoa, whoa (hoo woahoh oh woah oh oh oooh)
Whoa, whoa (oh, woo oh, ohh woah oh)
Whoa, whoa
Elevate a little higher
Let's throw a party in the sky
And celebrate
Elevate until we're flying
Move, move you're feet
Until you levitate
Come on let's elevate
Elevaaaaa-aaaaa-aate
Elevaaaa-aaa-aaaate
Elevaaaa-aaa-aaaate
Elevate.
