Alone

Ohio Players

Introductory:This is the first time I did this. Whoo! But Ilove it! (laughs) I just want to take you away a minute.
This song I'm about to do today is like a spiritual song, it 's a piece of my heart.
You see I'm the oldest of four-teen kids. Because I was the first one, mama said that may be king. So I went out and bought me a ring (laughs) But I found out later in life... that don't mean nothing.
Even though I come from that great big o'l family with four-teen kids. For some reason I've never felt like I had anybody by my side untill I ran to these bad, bad, players and bad, bad, listeners. You know what i'm talking about.
Name of this song is called " I Don't Wanna Be Alone"
Listen...I don't want to be, I don't want to be alone
I don't want to be alone yeah anymore, well
I don't want to be alone well shut that door
This is just a silly game girl
That we are playing yeah, wellI'll even take your blame yes I will oh well
Hear what I am saying child, I'm so ashamed
I don't want to be alone, well anymore
I don't want to be alone, well
Somebody pick me up off the floorListen they said that you and I will be together
From now on but if you walk out that door girl
I won't see you no moreI don't want to be alone well, anymore
I don't want to be alone
Somebody help me sing
Somebody pick me up off the floorcho-cha, cho-chada, cho-chada, cho-chada,
cho-chada, cho-chada, cho-chada, cho-chada,
Do-do, do-do, you
Cho-cha, cho-chada, cho-chada, du-du, do-da, do-du, da-duthey said that you and I will be together from now on
But if you walk out the door girl
I won't see you no moreI don't want to be alone well anymore
I don't want to be alone
I don't wan to be alone somebody help me yeah
Somebody pick me up off the floor
I don't want to be alone
I don't want to be
