Alone

Ohio Players

Introductory: This is the first time I did this. Whoo! But Ilove it! (laughs) I just want to take you away a minute.

This song I'm about to do today is like a spiritual song, it 's a piece of my heart.

You see I'm the oldest of four-teen kids. Because I was the first one, mama said that may be king. So I went out and bought me a ring (laughs) But I found out later in life... that don't mean nothing.

Even though I come from that great big o'l family with four-teen kids. For some reason I've never felt like I had anybody by my side untill I ran to these bad, bad, players and bad, bad, listeners. You know what i'm talking about.

Name of this song is called "I Don't Wanna Be Alone"
Listen...I don't want to be, I don't want to be alone
I don't want to be alone yeah anymore, well
I don't want to be alone well shut that door

This is just a silly game girl

That we are playing yeah, wellI'll even take your blame yes I will oh well

Hear what I am saying child, I'm so ashamed

I don't want to be alone, well anymore

I don't want to be alone, well

Somebody pick me up off the floorListen they said that you and I will be together

From now on but if you walk out that door girl

I won't see you no moreI don't want to be alone well, anymore

I don't want to be alone

Somebody help me sing

Somebody pick me up off the floorcho-cha, cho-chada, cho-chada, cho-chada,

cho-chada, cho-chada, cho-chada, cho-chada,

Do-do, do-do, you

Cho-cha, cho-chada, cho-chada, du-du, do-da, do-du, da-duthey said that you and I will be together from now on But if you walk out the door girl

I won't see you no moreI don't want to be alone well anymore

I don't want to be alone

I don't wan to be alone somebody help me yeah

Somebody pick me up off the floor

I don't want to be alone

I don't want to be
