# Best Days (Album Version Final)

## Matt White

Every time I look at you
You always look so beautiful
Driving on the road again
The Chevy's packed, and it is dusk
And I will take some photographs
So I can dream of youCan't say I've felt such twisting in my heart this way
We pitch a tent and everyone's sleeping
I just stay awake
The fire's burning
Softly singing songs
So close to youDo you believe
In love at first sight?
I think you do
We're hanging out with one another
Those are the best days of my lifeCan't take away those times
We stayed up and talked all night
Chain smokes of cigarettes and
Three bottles of red wine
Falling asleep together
Holding your body close to mineOh, and in the morning
Your eyes opened so innocent
The sun is blazing; we are sweaty
You look lovely
Nothing else matters anymore
Cause you're in my arms againDo you believe
In love at first sight?
I think you do
We're hanging out with one another
Those are the best days of my
Those are the best days of my...
Those are the best days of my lifeOh, I'll never wanna be without you
So just stay with me
I will love you endlesslyOh, oh darling, darling
Oh, oh darling, darlingDo you believe
In love at first sight?
I think you do
We're hanging out with one another
Those are the best days of my lifeDo you believe
In love at first sight?

I think you do
We're hanging out with one another
Those are the best days of my
Those are the best days of my
Those are the best days of my life
