

The Upscale Freestyle

Swipecy

Tell them hating ass niggas that I see you,
Tell a broke nigga "wouldn't wanna be you"
Tell a bitch "first I don't really need you"
Told my mother that one day I'm going to feed you
When you down, these niggas they don't need you
When you up these niggas wanna be you (ay)
Tell them that the dope I smoke so lethal
Tell them that big bro tote like it's legal
Since, I'm signed I gotta keep it peaceful
But I can pull up turn this shit medieval
I stomp down on niggas like a beetle
I show up & rock out like the Beatles (ay)
Swag on point no needle
Keep two birds no seagull
Lil bitch, lil bird, lil eagle
Lil bitch, lil pussy, i' eat you
If your head ain't shit don't test me
Baby girl , should've used ya neck piece
Whip game, I whip with my lefty
Go bestfriend , yeah that's my bestie
Dope man, weed man bless me
Dope man, dope came in a Hefty
Dope man, sir you in a jeffy
Dirty swipe, code name Jeffery
Who these niggas say they took a chain from?
A nigga snatch my chain, I'm going brain dumb
The dirty south side , where I came from (yoyo)
In a room with real niggas boy you ain't one
Name a bitch I can't fuck? Boy it ain't none
When I couldn't find a way, I had to make one
They let my niggas in this bitch and we gon take some
I bring my shooters in this bitch and make em' break some
Oh that's your bitch ? Well I'm gon need that bitch to shake some
I'm gon keep on working til' the fame come
Who a real nigga & who ain't one ?
Bitch I'm picture perfect, you should paint one
