

Gone (Thatâ€™ll Be Me)

Dwight Yoakam

[Chorus]

That'll be me you'll see
Walking away
That'll be me you'll see
For the last time today
That'll be me you'll see
For not very long
'Cause that'll be me
You'll see
That'll be gone Remember how you warned me
'Bout all your leavin' plans
Well I know this might seem
Unexpected
So prepare yourself
The best you can [Chorus] Think back on when
you threatened
And never left no doubt
Although this could be
Kinda sudden
I'm sure you can
Figure it all out
