So pretty, love to see you in pink when you in the club.  
Showin all the playas love, pretty.  
Love to see your pretty thang. What it is baby  
Come on show me love  
What it is baby  
When you fall off in the club  
I might break you a dove off  
And buy you a drink baby  
If you show me the pretty pink What it is baby  
Come on show me love  
What it is baby  
When you fall off in the club  
I might break you a dove off  
And buy you a drink baby  
If you just show me the pretty pink You look damn near better than your face  
When you raise yo ass to the club in the air so you can raise yo money  
Then she work her spine then you lose-a yo mind.  
Not all of your money \$\$ but mine  
'cause I'm up in all of I get yo trick ass back on the grind  
And make cash cuz she gonna pop her pussy  
And you gonna paay up real fast  
And I gona jump with Pink Cadillac's like that.  
Bitches screamin: ?????? Whoa????? Mississippi  
Well I iz that get yo ass back on yo stage  
I'm tryn to put my parkin lot on them two's
