

# I'm a Transvest-Lite

[NOFX](#)

I first heard Frank say, he wanted to dress like Fay Wray  
I wanted that too but what could I do in junior high school in L.A  
My heart skipped in the scene, he said you gotta be it, not just dream  
It was a taboo I knew I wouldn't pursue, I didn't have the self esteem I gotta confess that I like to cross dress  
And I've been doing it since I was 13  
It's hard to tell bros that you wear women's clothes  
Even in the "open minded" punk scene  
You'd probably get hurt in heels and a skirt  
When you're in the middle of a circle pit  
So I'd only wear panties under boxers to keep it all a secret  
Now I'm telling everyone cuz it's fun and I don't give a shit  
Forward 30 years, I still had the same fears  
Then I saw Hedwig play a Bilgewater's gig  
And I felt the same envy and tears  
I decided right there, I can't be bothered to care  
What other people think, I'm gonna dye my pubes pink  
And throw out all my Hanes underwear I'm not transgender, I'm a lazy crossdresser  
Who thinks make up is too much of an ordeal  
I paint my toes and wear shiny tight clothes  
Not for the look but how it makes me feel  
I don't need things just right, I'm a tranvest-lite  
I only shave to do the Time Warp midnight Saturday  
I'm done with self-pity, I don't have to feel shitty  
Cuz I wanna look pretty so I give it the old city college try  
Don't get me wrong, I still wanna be a guy  
Who sometimes likes to dress like a girl  
He sometimes likes to wear diamonds and pearls  
Don't think I don't know I'm not foolin' anyone  
He's a cross between Adele and Charlie Chaplin  
You know it's not just girls who just wanna have fun!
