Don't Know Nothing

[Maroon 5](#)

Living inside my head, pulling my strings
Letting me think I'm in control
Giving you all of my heart was a good start
But it turns out you want my soul
I don't know nothing 'bout that
In fact I don't know nothing at all
I'm tired of proving you right
By doing everything so wrong
So tell me what you really want
'Cause I don't wanna be
I don't wanna be alone
Pushing me over the edge
Can't forget those things you said
Cut to the bone, go ahead, take your swing
What did you think?
I was just gonna roll over, oh no
I don't know nothing 'bout that
In fact I don't know nothing at all
I'm tired of proving you right
By doing everything so wrong
Gotta tell me what you really want
'Cause I don't wanna be
No, I don't wanna be alone, alone now
Alone, I don't wanna be
I'm putting myself on the line
I'm tired of wasting my time
There's got to be a reason
Why she will not talk to me
I don't know nothing 'bout that
In fact I don't know nothing at all
So tired of proving you right
By doing everything so wrong
I don't know nothing 'bout that
In fact I don't know nothing at all
So tired of proving you right
By doing everything so wrong
Tell me what you really want
I don't wanna be
I don't wanna be alone, alone now

Alone, I don't wanna be
I'm tired proving you right
Doing everything so wrong
Don't wanna be
Don't know nothing
I don't know nothing 'bout that
I don't know nothing at all
