TO BE MYSELF COMPLETELY

Belle and Sebastian

Well my heart has fallen down
Thought I'd talked myself around
But to be myself completely I've just got to let you downWell I knew I'd say goodbye
Though it's not my time to cry
And forever and for no one I will let it all go by
And to be myself completely I've just got to say goodbye
Z-list star in a hundred grand garrett
The ladies say 'Hey baby, you've earned it!'
I'm not so sure, I toured the land
You could call it work if you count the band
Still your voice calls out to me
Escort me to the harmony
I'm not sure what I will be
Find me in a bitter sweet helloWell my heart has fallen down
Thought I'd talked myself around
Though we say goodbye and wonder
What's to know and who's to blame
But to be myself completely I will love you just the same
