

# In High Heels Burn It Down

**Paul Thomas Saunders**

Your windows face the stars  
When everything's black  
They tell us, they keep upThey calling me into the shadows  
Lonely girls with trouble at home  
They calling me to kick the shadows  
Braze my knees and sing the motto  
In high heels burn it downYou fear flashes back and scars  
You're never in your heart  
You're 24 and I'm notYou change your name and sleep in shadows  
Lonely girls with trouble at home  
Who change their names to creep in shadows  
Braze my knees and sing the motto  
In high heels burn it down
