

Nightmare (feat. David Palmer and Stevie Blacke)

Avenged Sevenfold

Nightmare!(now your nightmare comes to life)Dragged ya down below
Down to the devil's show
To be his guest forever
Peace of mind is less than never
Hate to twist your mind
But God ain't on your side
An old acquaintance severed
Burn the world your last endeavorFlesh is burning
You can smell it in the air
'Cause men like you have
Such easy soul to steal (steal)
So stand in line while
They ink numbers in your head
You're now a slave
Until the end of time here
Nothing stops the madness,
Turning, haunting, yearning
Pull the triggerYou should have known
The price of evil
And it hurts to know
That you belong here, yeah
Ooh, it's your fuckin' nightmare(While your nightmare comes to life)Can't wake up in a sweat
'Cause it ain't over yet
Still dancing with your demons
Victim of your own creation
Beyond the will to fight
Where all that's wrong is right
Where hate don't need a reason
Loathing self-assassinationYou've been lied to
Just to rape you of your site
And now they have the nerve
To tell you how to feel (feel)So sedated as they
Medicate your brain
And while you slowly
Go insane they tell ya
"Given with the best intentions
Help you with your complications"You should have known
The price of evil
And it hurts to know

That you belong here, yeah
No one to call
Everybody to fear
Your tragic fate is looking so clear, yeah
Oh, it's your fuckin' nightmare
Fight
Not to fail
Not to fall
Or you'll end up like the others
Die
Die again
Drenched in sin
With no respect for another
Down
Feel the fire (fire)
Feel the hate
Your pain is what we desire
Lost
Hit the wall (wall)
Watch you crawl (crawl)
Such a replaceable liar
And I know you hear their voices (calling from above)
And I know they may seem real (these signals of love)
But our life's made up of choices (some without appeal)
They took for granted your soul
And it's ours now to steal
(As your nightmare comes to life)
You should have known
The price of evil
And it hurts to know
That you belong here, yeah
No one to call
Everybody to fear
Your tragic fate is looking so clear, yeah
Ooh, it's your fuckin' nightmare
