

# Burn

## Deep Purple

The sky is red, I don't understand  
Past midnight I still see the land  
People are sayin' the woman is damned  
She makes you burn with a wave of her hand  
The city's a blaze, the town's on fire  
The woman's flames are reaching higher  
We were fools, we called her liar  
All I hear is  
"Burn!" I didn't believe she was devil's sperm  
She said, "Curse you all, you'll never learn  
When I leave there's no return."  
The people laughed till she said, "Burn!"  
Warning came, no one cared  
Earth was shakin', we stood and stared  
When it came no one was spared  
Still I hear "Burn!" You know we had no time  
We could not even try  
You know we had no time You know we had no time  
We could not even try  
You know we had no time The sky is red, I don't understand  
Past midnight I still see the land  
People are sayin' the woman is damned  
She makes you burn with a wave of her hand  
Warning came, no one cared  
Earth was shakin', we stood and stared  
When it came no one was spared  
Still I hear "Burn!"
