4.35 In The Morning

Saint Etienne

Hey baby
I've been up all night
Trying to make sense of my life
Day's breaking, things are getting bright
After all this time
And any fool could see that
You're the best thing that's happened to me4.35 in the morning, everything is clear
4.35 in the morning, I wish that you were here
So lately, I've been coming home
Sleeping all aloneDon't hate me
Left here on my own
Staring at the phone
And any fool could see that
You're the best thing that's happened to me4.35 in the morning, everything is clear
4.35 in the morning, I wish that you were here
4.35 in the morning, everything is clearI hear the bell, it's ringing loud
I'm coming alive4.35
4.35
4.35
4.35
4.35
