Today and Tomorrow

Sense Field

I am running water
I am pouring rain
It makes you stay inside today
I know what you think when your all aloneCover you with what you want
I know what you feel when you're by yourself
What you feel? What you feel?
What you feel? What you feel?You feel the running water
And you feel the pouring rain all over you
And it makes you stay inside today
And you come out, come out
Wherever you are, you are, you areIf you only knew what I felt when I'm all alone
Cover you with what you want
If you only knew what I felt when I'm by my
Cover you with what you wantI feel like running water
I feel like pouring rain all over you, all over you
If you only knew what I felt when I'm all alone
Cover you with what you wantIf you only knew what felt when I'm by my
When you're by your when I'm by my
Cover you with what you wantI feel like running water
I feel like pouring rain all over you
And it makes you stay inside today and tomorrow
Cover you with what I want
You are what I want
