

# Face of Love

Miranda Cosgrove

I'm ready for you now  
I think my time's done waiting it out  
It took a while to get through  
I've been awake and dreaming it true  
With every  
With every seam, you're sewing up my heart  
With every thread, you know you pull it apart  
Look in the mirror, I don't see no scars  
And everywhere I need you, there you are  
Something in your eyes, I'll recognize it  
Baby, could you be the face of love?  
Everything is perfect when the light is right  
You'll turn and see the face of love  
Oh, we'll see eye to eye  
I'll hear it from your mouth  
And we're pulling back the curtain  
Now it's starting to look certain  
You're the face of love  
I'm making for you now  
Needed a minute to figure it out  
I'm looking straight out through the window  
Don't wanna blink, might miss the signal  
With every  
With every seam, you're sewing up my heart  
With every thread, you know you pull it apart  
Look in the mirror, I don't see no scars  
And everywhere I need you, there you are  
Something in your eyes, I'll recognize it  
Baby, could you be the face of love?  
Everything is perfect when the light is right  
You'll turn and see the face of love  
And we'll see the eye to eye  
I'll hear it from your mouth  
And we're pulling back the curtain  
Now it's starting to look certain  
You're the face of love  
I see my bare self in you  
I see my bare self in you  
Something in your eyes, I'll recognize it  
Baby, could you be the face of love?  
Everything is perfect when the light is right  
You'll turn and see the face of love  
And we'll see the eye to eye  
I'll hear it from your mouth  
And we're pulling back the curtain  
Now it's starting to look certain  
You're the face of love  
I see my bare self in you  
I see my bare self in you
