

Don't Upset the Rhythm

Noisettes

Don't upset the rhythm though
Don't upset the rhythm
Don't upset the rhythm though
Don't upset the rhythm The time is right
The sun is sleeping in the sky
Free yo' mind
You never know what you might find What's your vice?
You know we won't compromise
So let me show you
Something super beautiful Let's rock the boat
The magic is unstoppable
For on the floor
It's the rhythm you've been waiting for Pure delight
Kick, snare, hat ride
It's all up to you
And whatever you do
Don't cut into my action
Four, three, two, one Go baby, go baby go
Don't upset the rhythm though
Go baby, go baby go
Don't upset the rhythm Go baby, go baby go
Don't upset the rhythm, don't you dare
Go baby, go baby go
Don't upset the rhythm Skin and bone
And a baton microphone
Can't get home
But you can use my dog and bone We'll crank that stereo
Even when the speakers blow
D I Y
Just meet me up in paradise Whatever it takes
To carry you away
It all comes down to actions
Four, three, two, one Go baby, go baby go
Don't upset the rhythm though
Go baby, go baby go
Don't upset the rhythm Go baby, go baby go
Don't upset the rhythm, don't you dare
Go baby, go baby go
Don't upset the rhythm Go baby, go baby go

Go baby, go baby go
This time I like it
Go baby, go baby go
Now don't you dare
Don't upset the rhythmDon't upset the rhythm though
Don't upset the rhythm
Don't upset the rhythm, don't you dare
I told you, don't upset the rhythmGo baby, go baby go
Don't upset the rhythm though
Go baby, go baby go
Don't upset the rhythmGo baby, go baby go
Don't upset the rhythm, don't you dare
Don't upset the rhythmGo baby, go baby go
Don't upset the rhythm though
Go baby, go baby goDon't upset the rhythm
Go baby, go baby go
Don't upset the rhythm, don't you dareHey
Go baby, go baby go
Don't upset the rhythm though
Go baby, go baby go
Don't upset the rhythmGo baby, go baby go
Don't upset the rhythm, don't you dare
Don't upset the rhythm
