## The Boxer Rebellion

Heading Westwards towards the sun  
When the past starts to bleed into one  
And the rest will disagree  
How your innocence can sway easily But oh I can tell  
Your words so well  
And all I can see  
Is that I  
I'm sorry, sorry  
I'm sorry, sorry Heading Westwards towards the sun  
Where we're going everything comes undone  
We were lost from the start  
We won't be here when the rest falls apart But oh I can tell  
Your words so well  
And all I can see  
Is that I  
I'm sorry, sorry  
I'm sorry, sorry (And I will track you down) Run so long  
Don't run away from me  
How long  
Don't run away from me Oh I can tell  
Your words so well  
And all I can see  
Is that I  
I'm sorry, sorry  
I'm sorry, sorry
