

# If Looks Could Kill

## A Heartwell Ending

If looks could kill you'd be a murderer maybe just a whore  
Maybe you're a  
If looks could kill you'd be a murderer maybe just a whore  
Maybe just a whore  
If looks could kill you'd be a murderer maybe just a whore  
I found out so much more walking through that door became chore  
If looks could kill  
If looks could kill I'm sorry for  
I'm sorry for bleeding on your porch  
I know, I know, I know here that it was  
But of course I tried to keep my heart inside  
Of my chest but it fell through  
That's why I'm here with her not you If looks could kill you'd be a murderer maybe just a whore  
I found out so much more walking through that door became chore  
If looks could kill you'd be a murderer maybe just a whore  
I found out so much more walking through that door became chore Its a comfort to know  
If you watched him go  
What your leaving to scream your name  
Is this what you wanted  
This what you needed  
If this what you going I'll bleed again Take a we'll leave them all alone  
See their eyes and the lights so far from home  
With a flick of the tongue  
And a shake of in hips  
And the look in your eye in the radio light If looks could kill you'd be a murderer maybe just a whore  
I found out so much more walking through that door became chore  
If looks could kill  
If looks could kill  
If looks could kill I'm sorry for  
I'm sorry for  
I'm sorry for bleeding on your porch  
I know, I know, I know here that it was  
But of course I tried to keep my heart inside  
Of my chest but it fell through  
That's why, That's why I'm here with you Here with you If looks could kill you'd be a murderer maybe just a  
whore  
If looks could  
If looks could  
If looks could you'd be a whore

If looks could kill you'd be a murderer maybe just a whore  
I found out so much more walking through that door became chore  
If looks could kill  
If looks could kill you'd be a murder maybe just a whore  
Or maybe I'm lost  
Maybe I'm the murderer  
Maybe you're a whore  
If looks could kill  
If looks could  
If looks could kill  
You'd be a murderer  
If looks could kill you'd be  
A murderer
