

Fall Baby Fall

[Ryan Cabrera](#)

If you just have faith
To let me be the man that I am
I'll always run back
To show you what words never can
I don't want to be the one
Just to love then lose
Let 'em fall baby fall
Just like the rain washes it all
If the tears will help you to heal
All that is real, all that is wrong
Let 'em fall baby fall
If you'll trust that I'm gonna stay true
Even when I'm gone
You don't have to worry
'Cause I'll always be the man that you want
And I don't want to be the one
Just to love then lose
Let 'em fall baby fall
Just like the rain washes it all
If the tears will help you to heal
All that is real, all that is wrong
As your world spins around
Feet never touch the ground
Always hurting inside
Hiding behind the sun
Waiting still for the love
But it all seems so right
Fall baby fall
Just like the rain washes it all
If the tears will help you to heal
All that is real, all that is wrong
Let 'em fall baby fall
Just like the rain washes it all
If the tears will help you to heal
All that is real, all that is wrong
Let 'em fall baby fall
