

Just Wanna Cut (Album Version)

Trey Songz

[Chorus]

Can you listen baby

I know that it might sound crazy

Cut, I just wanna cut

And, Yes i gotta lady

But girl you driven me so crazy

Cut, make me wanna cutBaby girl this the prince of Virginia.

When i say that i'm trying to get in ya.

I ain't trying to be to dramatic, but ya ass is past

The average, oh the way that you movin' ya waist, so fat and a beautiful face.

oh girl i gotta have ya

And don't say no, that ain't the answer.

Put your legs all up in the air.

Twist from the back and pull your hair, oh baby girl let's take it there.

I'll tell you girl i'm so prepared.

Just let me freak ya body, cause you's a freaky shawty.

Let me take a waltz in that big ol' butt, girl I'm trying to get a you know what[Chorus]Baby it's the things that
you do when you do what you do.

Oh babe,make me wanna cut.

It's the way that you move there is nothing to do

Make me wanna cut,

Mama right here on this floor

I gotta let you know

The way you drop it low

oh girl I'm getting swoll

Just let me take you home

Do what i know is wrong

And once we get along i'm gonna sing this song

Put ya legs all up in the air

Twist from the back and pull your hair, oh baby girl let's take it there.

I tell you girl i'm so prepared.

Just let me freak ya body, cause uz a freaky shawty,

Let me take a waltz in that big ol' butt, girl i'm trying toget a you know what.[Chorus]Baby it's the things that
you do

When you do what you do

It's the way that you move there is nothing to do

Make me wanna cut

And when i twist it baby

I swear the girls up in this club tonight

It ain't a problem
We don't need any room baby
And what make it special
It just as soft and round`
I gotta let you know[Chorus]
