

# Lovers and Friends

## Keith Sweat

Telling me sitting here  
Why must we be so confused?  
When all I wanna do, girl  
Is be the man in your life  
Funny you've made it clear  
That you just can't up and loose  
But the truth is I kept a secret, too  
So, I'm not raising blame  
More it's just changing lanes  
'Cause we're at this flow at road  
But before we do  
Listen girl  
I wanna cherish this moment baby  
Go after the love that's been good  
Don't let it slip away, yea  
Pass through the blink of an eye  
Oh, baby baby baby  
I'm rolling your body tonight  
Don't it feel good?!

Wanna give you girl what you like!  
See my baby, and  
There's a reason why we can't be lovers, lovers and friends  
Lovers and friends  
Ain't no charge on the phone  
When we're taking to the room  
We step until our dream world and be like  
Hoping and whinde  
Washing up as we go  
And then we're both are through  
That is over  
When I am done with you  
Ain't got with you  
Never planned for a kiss  
Didn't caught up like this  
But I've got to let you go  
And it's so hard to I wanna cherish this moment baby  
Go after the love that's been good  
Don't let it slip away, yea  
Pass through the blink of an eye

Make it last, make it last  
I'm rolling your body tonight  
Don't it feel good?!  
Wanna give you girl what you like!  
See my baby, and  
There's a reason why we can't be lovers, lovers and friends  
Lovers and friends
