Meet Me In the Bottom

Pink Anderson

Meet me in the bottom
Bring my boots and shoes
Lawdy Mamma, Great God Almighty
Meet me in the bottom
Bring my boots and shoes
Yeah I got to leave here and I got no time to lose

I've got to go now
Can't come back no more
Hey lawdy ma, Great God Almighty
Gotta go now
Can't come back no more
Honey I wouldn't mind leaving but I go so far to go

The woman I love
She's right down on the ground
Lawdy Mamma, Great God Almighty
The woman I love
She's right down on the ground
And every time she kiss me, makes my love come down

She wears number 4 shoe
and 25 in the waist
Lawdy mamma, Great God Almighty
Number 4 shoe, 25 in the waist
I can't find nobody take that woman's place

The woman I love
Her name is Lilly Mae
Lawdy mamma, Great God Almighty
Woman I love, her name is Lulu Lay
Well the woman I hate, I see her every day
