

Mr. Freakshow

Gin Wigmore

Hey! Thank you for the date.
The tube lips made you Mr. Freakshow
You think you got what it takes
While I'm thinking
About making you wait
I should tell you I don't ever wanna ever, ever be a lady!

[Chorus]

She says, she says don't stay long
I want you gone Before the morning comes
He says baby where did I go wrong?
Call me, Call me like you like me some
She says, she says don't come back
I want you gone before the morning comes
No, No, No, No, No, No Uh oh uh oh whoa uh oh
Uh oh whoa oh no no no
Uh oh whoa oh

Sorry?

Were you looking for love?
Cause I don't think you have the touch
Mr. get up off your knees
Girls don't like a man begging to be
Tarzan you see me swingin' from trees
I don't ever wanna ever be a lady!

[Chrous]

I sit here alone
But I'll dig my toes in
Till I found the perfect one
And I'm thinkin' how to leave you Mr, Mr Freakshow

[Chorus]
