8bit Heart

[Simon Curtis](#)

What would you say if I said that I want you?
Would you laugh at me
and maybe think I was crazy?
'Cause I don't know any other way
than to say the way that I feel
But it doesn't ever work
and it hurts to the bone
always feeling so damn alone
Is it so, so wrong to love?
Baby is it so, so wrong to love?

Is it so, so wrong to love
and to be loved in return?
I don't know what to do
'cause I think that I need you
And I'm afraid 'cause intuition's telling me
that you don't feel the same
Ooh I wanna hold your hand
but I don't think you understand
just how I'm feeling inside
Oh baby please don't play with strings that dangle me
because I'd rather have nothing than lies.
