

Ain't Nothin' Like Me

Joe

Hey whoa eh there's nobody like me

Na na no

Whoa

Ma that's your man fiance trick ya baby daddy

Husband best friend or ya sugar daddy

We could cruise in the navvy

Or cruise in the caddy

I'm a tongue lick you toes girl

I know you like it nasty

Creep til ya call dough you know my waist heavy

Picture me bein' stuck in th e closet like r. kelly

That ain't likely I know that you like me

Just keep me on the low you can still be his wifey comon!

Hey mammy look like you arrested

With his hands cuffin' he be talkin' louder

He ain't sayin' nothin'

If that's how he do you

If that's what your used to

I'm tellin' you that you need to move

Party's over here you need to move

I can make him disappear you need to move

Let's stop wasting time

And let's get down to riding girl I promise you

[Chorus]

I know you got a man but he ain't nothin' like me

he might put it down but he can't put it like me

My hood in my wood in my paper man you gonna like him gone

cause ain't nothin' like me

I know you got a man but he ain't nothin' like me

he might put it down but he can't put it like me

My hood in my wood in my paper man you gonna like him gone

cause ain't nothin' like me

Hey honey you be on restriction

With da short money

It's cloudy over there

But here it's sooo sunny

If that's how he do you
If that what your used to I'm tellin you
That you need to move
Party's over here you need to move
I can make him dissapear you need to move
Let's stop wasting time
And let's get down to grinding girl I promise you come see!!!

[Chorus]

She said she like me
But she hate I got these cubbish ways
I try to work a 9 to 5 but it doesn't pay
We met the other day
Seeing you and hoolard hey!
Where you from what's your phone number where you stay
Come let me sit you in this bentely
On these heated seats
Sit us some crystal
Let you ride and see the beach
I know you probably got a man but give me a chance
I guarantee he can't do it baby like I can
Yeah

[Chorus]
