

# Company

## Justin Bieber

[Justin]

Can we, we keep  
Keep each other company  
Maybe we, can be  
Be each other's company  
Ohhh company Let's set each other's lonely nights  
Be each other's paradise  
Need a picture for my frame  
Someone to share my ring  
Tell 'em what you wanna drink  
I tell you what I got in mind  
Ohhh I don't know your name  
But I feel like that's gonna change You ain't gotta be my lover for you to call me baby  
Never been around, ain't that serious Can we, we keep, keep each other company  
Maybe we, can be, be each other's company  
Oh company... It ain't about the complications  
I'm all about the elevation  
We can keep it goin' up  
Oh, don't miss out on us  
Just wanna have a conversation  
Forget about the obligations  
Maybe we can stay in touch  
Oh that ain't doin' too much You ain't gotta be my lover for you to call me baby  
Never been around, ain't that serious no Can we, we keep, keep each other company  
Maybe we, can be, be each other's company  
Oh company Can be, can be, be each other's company  
Be each other's company  
Just be each other's company  
Be each others company Can we, we keep, keep each other company  
Maybe we, can be, be each other's company  
Oh company
