

# Piece Of Your Action

## Motley Crue

Go, ooh, hey, oh I want you, I need you  
I want you to be mine tonight  
You need me, you tease me  
Use you up, throw you away You're fire, taking me higher  
Don't burn me, don't let me down  
You need me now, I'll teach you how  
Come on, let's go all the way Get a piece of your action  
Get a piece of your action Tight action, rear traction  
So hot, you really blow me away  
Fast moving, wet and ready  
Time is right so hang on tight Live wire, night prowler  
Lay back and take me inside  
You need me now, I'll teach you how  
Come on, let's go all the way Get a piece of your action  
Get a piece of your action Oh, I want you, I need you  
I want you to be mine tonight  
You need me, you bleed me  
Use you up, throw you away You're fire, taking me higher  
Don't burn me, don't let me down  
You need me now, I'll teach you how  
Come on, let's go all the way Get a piece of your action  
Get a piece of your action  
I get a piece of your action  
Get a piece of your action Look out
