

Call Me

Pain

If u got the cash i got the time
I'm just a phone call away.
You've been dried up for a long long time!
with my hands untied i'll make you howl like a wolf!Call me!
Like a genie in the bottle
I'll rub you the right wayCall me!
With paypal or cash
I want to be your back door manI don't care about your present or your past
I love you as long as your money loves me back
I'll meet you at home or rather slaezy motel
And I'll show you what your boyfriend don't understandCall me!
Like a genie in the bottle
I'll rub you the right wayCall me!
With paypal or cash
I want to be your back door manWho said money can't buy you happiness
It's your fantasy
Just give me a callCall me!
Like a genie in the bottle
I'll rub you the right wayCall me!
With paypal or cash
I want to be your back door manCall me!
Like a genie in the bottle
I'll rub you the right wayCall me!
With paypal or cash
I want to be your back door man
