

# Little Darlin'

## Hootie & The Blowfish

Hello, little darlin'  
Can't see why you're cryin'  
Don't even know why you came by so soon  
And I know that you love me  
Remember that you left me  
Why were you so afraid of the truth? Now, no, no  
Now, no, no Hello, how you doing?  
Hope I did not ruin any plans you had to pull me through  
So sit down at my table  
We'll talk about and label all the things you claim to be untrue Now, no, no  
Now, no, no I see you driving out of town  
I just hope some how (Ah ) you'll be alright again. (Ah ) I see you driving out of town  
I just hope some how (Ah ) we'll be alright again Now, I told you right from the start  
That I don't want to play the part of being the blame for a brokenhearted fool  
And, now that I don't see you much  
I wish that we had stayed in touch  
I don't know what I would say or what you think I would do Now, no, no. Now, no, no. Now, no. Now, no, no.  
Now, no, no I see you driving out of town  
I just hope some how (Ah ) you'll be alright again. (Ah ) I see you driving out of town  
I just hope some how (Ah ) we'll be alright again
