

Making A Killing

Phantom Planet

Cut your losses, cut your ties start a new life
These things they can tie you up, weigh you down
 Wear you in then wear you out
 One day you could find yourself suddenly
 Underneath a guillotine
You'll have to answer up for what you want and what that means
 That's the difference between
 Breakin' the bank and
 Just breakin' even
 Makin' a livin' and
 Makin' a killin'
Why don't you buy yourself a gift for the work you've been puttin' in?
 Maybe a little somethin' you could toss into that pit
 Of emptiness you're pregnant with
 Or maybe you could go and lose yourself altogether
 Nothing's gettin' any better, oh no
Is that what you really want after all is said and done with me?
 That's the difference between
 Breakin' the bank and
 Just breakin' even
 Makin' a livin' and
 Makin' a killin'
 Like bills in a short stack
 And bills to the ceilin'
 Makin' a livin' and
 Makin' a killin'
Is that what you really want after all is said and done with me?
 That's the difference between
 Breakin' the bank and
 Just breakin' even
 Makin' a livin' and
 Makin' a killin'
 Like bills in a short stack
 And bills to the ceilin'
 Makin' a livin' and
 Makin' a killin'
Well I found myself suddenly
 Underneath the guillotine
For Heaven's sake, I'm here, I'm willin'

Let's make everyone a killin'
