Satan's Rats

Yes, no
Yes, no I don't want to be your sex object
Show some feeling and respect
I don't want to be your sex object
I've had enough and that's a fact Yes, no
Yes, no I don't want to be your sex object
You play your tricks, they're just perfect
I don't want to be your sex object
You turn me on, then you forget No, why?
No, why?
Maybe, perhaps, yes
Maybe, perhaps, yes Yes, no
Yes, no I don't want to be your sex object
You play your tricks, they're just perfect
I don't want to be your sex object
I've had enough and that's a fact No, si, si quieres

Por que? No, quizas
Por que? No, a lo mejor Sex object No, si, si quieres

Maybe, perhaps, yes
Maybe, perhaps, yes Vielleicht, warum, warum, doch!
