The Happiest Days

Slave

It happened on a sunny day
The one I love had come my way
She opened up the door for me
Love and kindness was the key, yeahShe's like my God above
She's the one I'm thinking of, yeahThese are the happiest days
These are the happiest daysWhen I first met you
I didn't know what to do
You were so good to me
Love and kindness was the keyYou treated me so very good
Oh, I knew that you would
I will never let you go
I'll keep you forever more, umThese are the happiest daysYeah, I asked myself is it a dream
Funny but that's how it seems
My feelings for her grow
I'll never let her go, never noThese are the happiest days
These are the happiest daysNever would I let you go
I need your love more and more
Can you see how strong I feel?
My love is so damn realYou never would begin to know
How much I cherish your soul
I'd lay down my life for you
You know I love youThese are the happiest daysWe were two good, now we're one
And the fun had just begun
Shine, shine on that light
Girl, girl, wait until tonightThese are the happiest days
These are the happiest daysNever would I let you go
I need your love more and more
Can you see how strong I feel?
Our love is so very realYou never would begin to know
How much I cherish your soul
I'd lay down my life for you
'Cause that's how much I love youOh yeah, oh
