

Storm's Comin' (feat. Mykelti Williamson)

Nashville Cast

Storm's comin' around here again
Storm's comin' around here again
Dark clouds forming wherever I've been
Thunder is clashing in my mind
All the lightning makes me go blind

Storm's comin' I can't get away
Storm's comin' I can't get away
Dead Rodney is leaving but I have to stay

Storm's comin'
Storm's comin'
