Tired Of Waiting

The Trews

I am wired and fading
Looking blind and blaming
Following and trailing words
You might be sayingI am tired of waiting
I'm tired of waiting
I am tiredAltered expectations
Long anticipation
Everything is changing
I'm the same and agingI'm tired of waitingI am tired of waiting
I'm tired of waiting
I am tiredI am tired of waiting
I'm tired of waiting
I am tiredI am tired of the long way downSo I stand
To let you down here alone
I can't seem to dream of you
No moreI am tired of waiting
I'm tired of waiting
I am tiredI am tired of waiting
I'm tired of waiting
I am tiredI am tired of waiting
I'm tired of waiting
I am tired
